

Pick Me!

When you hire Pick Me! Floral and Event Design, you will

LOVE THIS DAY!

Creating your ultimate celebration . . . a celebration that is about you and your fiancé . . . that is our passion at Pick Me! Floral and Event Studio. Our mission is to minimize your stress and maximize your joy. Pick Me! offers an array of planning services and provides as much guidance and support as your event requires.

We see ourselves as your collaborator, designer, adviser and all-around navigator through the planning process. Pick Me! Floral and Event Design Studio will assist you with your budget, research and assemble a team of amazing wedding professionals. We will locate resources, guide you through protocol and etiquette and troubleshoot to help you achieve your unique design.

Pick Me! will be on site for your wedding day (or entire weekend) to make sure that everything runs smoothly. We will organize and oversee all deliveries and setups, greet your vendors and troubleshoot when necessary. We will manage the event itself, controlling the flow and timing of the party so you are free to enjoy your guests, your meal, and your first dance . . . your wedding!
